

1st ENOSS CONFERENCE

7-8 November 2019
SLZB | Berlin, Germany

THE NEXT STEP

Creating a European Network
of Sport Schools

ENOSS
European Network of Sport Schools

THE IDEA

In the EU, the number of athletes in need of dual career support services adds up to more than 120.000 in every Olympic cycle (European Commission, 2016). Within competitive systems, European sport schools play a crucial role in the development of human talent. In fact, their quality of services provided in cooperation with policy makers and sport bodies is of vital importance for sustainable pathways of aspiring athletes, in amateur as well as in professional sports.

Despite the history of sport schools in the EU, a specific network between these schools on European level still does not exist. For this reason, the Schul- und Leistungssportzentrum Berlin (SLZB), the Berlin Senate Department for Education, Youth and Families and the Federal Ministry of the Interior, Building and Community aim to foster the **implementation of a European Network of Sport Schools (ENOSS)**.

A systematization of international cooperation will substantially contribute to

- improve service quality within European sport schools,
- facilitate the mobility of talented athletes and practitioners, and,
- inspire the development of trans-national projects.

THE CONFERENCE

The 1st ENOSS Conference from 7-8 November 2019 in Berlin is a valuable opportunity to **network and exchange with like-minded professionals in education and sport**. Day 1 is dedicated to "The Healthy Sport School". Acknowledged experts will share insights into their practice with talented athletes, spanning sport psychology, dual career and nutrition. Day 2 pursues the mission to initiate a European Network of Sport Schools. School representatives from all over Europe will brainstorm the requirements for and concretize the development of such a network. Join the 1st ENOSS Conference and become part of the next step of European sport schools!

REGISTRATION

Find all details and register at www.enoss.eu!

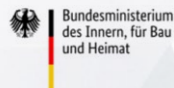

Conference fee: 50,- Euro (including lunch and dinner)
End of registration: 9 October 2019
